Individuals at their precinct caucuses can submit resolutions. When a majority of the caucus adopts a resolution it advances to the Organizing Unit convention for consideration to send to the State Platform, Issues, and Legislative Affairs Committee. Resolutions having support from at least five Organizing Units drawn from at least two Congressional Districts may be selected for consideration at the State Convention (for inclusion in the DFL Ongoing Platform or Action Agenda).

RESOLUTION TITLE: Clean Water Infrastructure

BE IT RESOLVED THAT The DFL support upgrading our failing public water infrastructure: water treatment plants and the piping to supply public water, sewage, and stormwater to assure safe drinking water and to protect aquatic ecosystems from pollution.

You may add a brief explanation or your two or three strongest supportive points here.

- Many Minnesota water systems across the state are aging and failing, especially in rural communities, leaving Minnesotans at risk of unsafe water or flooding, and leading to pollution in our lakes and rivers. Smaller municipalities often find it difficult or impossible to fund upgrades on their own without state or federal help.
- Thanks to the Biden infrastructure law, Minnesota will benefit from more than \$680 million in federal dollars for water infrastructure. The Legislature should pass funding to ensure we build on this investment and secure matching grants so that every community in Minnesota has safe drinking water and healthy aquatic ecosystems.
