Individuals at their precinct caucuses can submit resolutions. When a majority of the caucus adopts a resolution it advances to the Organizing Unit convention for consideration to send to the State Platform, Issues, and Legislative Affairs Committee. Resolutions having support from at least five Organizing Units drawn from at least two Congressional Districts may be selected for consideration at the State Convention (for inclusion in the DFL Ongoing Platform or Action Agenda).

RESOLUTION TITLE (limited to 5 words): **Green New Deal**

BE IT RESOLVED THAT:

Declare a climate emergency and support a Green New Deal to provide a just energy future in which all Minnesotans can reap the health and economic benefits of efficiency programs, renewable electricity, and clean energy jobs. Mandate the use of union labor in development of new energy infrastructure.

You may add a brief explanation or your two or three strongest supportive points here.

- Climate change disproportionately impacts communities of color, indigenous communities, farmers, and low-income communities that are often living close to environmental hazards and have the fewest resources to mitigate those impacts.
- Widespread use of fossil fuels, none of which is extracted in Minnesota, robs wealth out of Minnesota's economy.
- Renewable energy keeps "energy" wealth local, making our economy more resilient.
